TO: ALL WISCONSIN MOTOR'S CUSTOMERS

FROM: Dale Ray, Operations

DATE: July 30, 2008

SUBJECT: **Memphis Office Closing**

Effective August 1, 2008 the Memphis Sales office will be relocated to our Dyer manufacturing facility. This move is now in process and should present no disruption to order processing or shipments.

Until the 800 number has been redirected you should call **(731) 665-6151** and fax orders to **(731) 665-6116**. Dean Holbrook, Manager of Customer Service, extension is 508. A new phone number list will be forwarded within the next week for your convenience. We expect the 800 number to be active at Dyer by Friday, August 1.

All of the Employees with the exception of Debbie Goodwin and Tom Renner will be transferring to the Dyer facility. Tom Renner will retire at the end of August to pursue a life of leisure.

This consolidation is a positive step in combining all aspects of the operation under one roof and will improve internal communications and planning enormously.

Should you have any questions regarding this matter please feel free to contact me at Dyer or on my cell phone (901) 233-6404.

As always we appreciate you business and your friendship!

Best regards,

Dale
